

Clark Rabe

SOFTWARE DEVELOPER

Spokane, WA · +1 (509) 951-4982 · clarkrabe@gmail.com

Creative Computer Science graduate with extensive experience in game and application development, specializing in user-centric interfaces and intuitive, approachable software. Proficient in C#, Swift, Java, Unity, and MySQL, with hands-on experience integrating AI models into production apps and a track record of building polished games, iOS and mobile apps, and desktop applications from concept to release.

EXPERIENCE

Game & Application Developer 2019 – Present
Academic & Personal Projects — Spokane, WA

- › Built native iOS apps in Swift and integrated AI models to deliver intelligent, responsive in-app features.
- › Designed and built multiple games and applications in Unity and C# through coursework and personal projects, taking builds from concept through playable release.
- › Iterated on gameplay, UI, and performance based on feedback to create polished, approachable experiences.

IT Professional Assistant Oct 2016 – Jun 2019
Eastern Washington University — Cheney, WA

- › Diagnosed and resolved software and hardware issues across Windows, macOS, Adobe, and Microsoft products.
- › Deployed and configured computer labs, performing OS updates, software installations, and hardware replacements.
- › Established improved shipping and receiving procedures, increasing tracking accuracy and turnaround time.

Bartender Apr 2020 – Mar 2022
Va Bene — Phoenix, AZ

- › Maintained and updated the restaurant's website with accurate menus, hours, and promotional content.
- › Created signature cocktails supporting the bar's marketing brand and driving increased profits.

Bartender / Server Apr 2022 – Present
Anthony's Restaurants — Spokane, WA

- › Deliver fast, accurate service during peak hours while maintaining a welcoming guest experience.
- › Recommend drinks, food pairings, and specials to boost guest satisfaction and grow check averages.
- › Manage inventory, POS transactions, and end-of-shift balancing with consistent accuracy.
